FlightPath

## Service Overview

Together we'll land this implementation

Contents

By the end of this document, you'll be well-prepared to choose the FlightPath that best suits your needs.

> *We believe wholeheartedly that the functionality that our software offers our customers is very important, but it is only half of the value equation. How the system is rolled out is critical if full value from your new investment is to be achieved.*

About

Each FlightPath implementation program from Access follows a well-defined journey. Our aim is to give you value from your investment as quickly and as fully as possible. Using our years of software deployment expertise, we have defined the FlightPath methodology.

Typical Questions ❓

- How can we ensure a successful outcome?
- How quickly will we get a return on investment?
- How quickly will my colleagues adopt the new software?
- How will I be supported?

Our Response ✅

Our FlightPath methodology means we:

- Clearly define the outcomes for each stage of your implementation through to early adoption
- Put the software in your hands at the earliest opportunity with a learn as you use approach
- Supply e-learning materials to share with your colleagues
- Provide a named onboarder who will guide you through key milestones and track issues and actions through our Customer Success portal

Our Commitment 💎

We will:

- Ensure that roles and responsibilities are completely clear
- Be transparent on your effort commitment
- Set expectations on project duration
- Remain by your side until your FlightPath Outcomes have been achieved
